

Security Meeting March 3, 2010
6:00pm
BBHOA Clubhouse

Discussions and Helpful Information from Special Security Meeting

Attendees: Councilman Chandler Loupe and 6 Sheriff Deputies and 1 Detective

Board Members: Kimberly McDaniel- President
Greg Tullier- Secretary
Robert Blanchard
Emory Belton
David Balhoff
Ryan Skavron
HOA Representative- Erin Guillory

Deputies have been trying hold Response times to 5 to 10 minutes depending on what's going on in the area.

Association is in the process of purchasing no solicitors signs for our neighborhoods to be posted at entrances from Bluebonnet. Homeowners can also put signs near their front doors. This will allow the sheriff's office to cite violators.

The following numbers are suggested by the deputies to help with response time for other than 911 calls. 389-5073 Burbank substation. 389-5000 call center after 5 pm. Trying to increase number of deputies from 8 to 12 per shift. Deputies have agreed to patrol Longwood Plantation road which runs behind our neighborhood next to the farm land. We are outside of the City Limits so are patrolled totally by EBR Sheriffs deputies. **It also recommended that our residents without back fences make every effort to install their back fences to help increase security.**

Discussion with Chandler Loupe: He will help us get additional lighting from Entergy. The HOA will be responsible for the expenses and the monthly bill. This is standard for street lighting around neighborhoods.

Sidewalks would be our total expense so we will be getting prices.

Erin is contacting DPW about Trash alongside Bluebonnet from tree trimming. Also getting estimates to remove trash / debris from Spring Tree property.

Meeting Adjourned 7:30 pm
